

Educational support for overseas trainees

Should you wish to do a training at the EPL of Beaune, you may be eligible to an educational support. Depending on your personal situation, these are the step by step enrolment guide:

	Individual application	Application that is part of a partnership with another school
Prior	<ul style="list-style-type: none"> -Please forward your CV and a cover letter as well as all the required documents you may be asked (i.e copies of your diplomas) -attend an interview (at the premises, telephone, skype) to confirm your expectations, prove your linguistic skills in French or English depending on the course and to submit your project. Should your linguistic skills not be good enough, you will be asked to improve them before you can start the training (intensive courses...) -the training centre will submit all the necessary information to enrol as well as a quote -Once your application is accepted, we will send you a training contract and an information kit to help you settle in and get started 	<ul style="list-style-type: none"> --Via the partner school, send your CV and a cover letter as well as all the required documents you may be asked (i.e copies of your diplomas) - A telephone or skype interview may be organized to confirm your expectations, prove your linguistic skills in French or English depending on the course and to submit your project. Should your linguistic skills not be good enough, you will be asked to improve them before you can start the training (intensive courses...) -once your application is accepted, we will draw up a study plan and a tripartite agreement will be signed (by EPL Beaune, the partner school and the trainee) -An information kit will be sent to help you settle in and get started
Upon your arrival at the learning center	<ul style="list-style-type: none"> -you will be welcomed and interviewed by the 	

	<p>coordinators in charge of the International Cooperation and the training. Following the interview, the educational team will offer, if needed, support in languages, and cultural knowledge...You will be invited to either one to one classes or conversation or self-study workshops. A range of learning tools are available on site.</p> <ul style="list-style-type: none"> - you will attend a « Speed meeting » : foreign and French students pick one another and help each other (mutual mentoring) -Students will be given a training record book in which useful information about the school can be found (ie CDR) The student's technical, linguistic, professional and intercultural progress will be monitored in the training record book to better guide and, if necessary, recommend workshops or educational supports. 	
<p>During the training</p>	<p>You will attend regular interviews with the educational team (in charge of the International cooperation and in</p>	

	<p>charge of the training). About: -the difficulties you may have accountered during the acquisition of the various skills (technical, linguistic, Professional and intercultural) -your achievements -how to enhance your skills</p>
